### Keep your wipers handy.

The new compact format Tork Foodservice Towel is designed to fit into space-saving dispenser brackets at server stations, back of house or in storage areas. So they're available where you need them, when you need them, for an easy clean-and-go. They arrive in convenient Tork Easy Handling™ boxes with shelf-ready packaging that's just as easy to store as it is to access, helping your staff instantly find Tork Foodservice Towels among all their supplies.

### Keep hygiene top-of-mind.

Maintaining compliance with Foodservice regulations is easy with the new compact format Tork Foodservice Towel. They're packaged in a poly pack that protects them from dust, dirt, moisture and spills. Designed to work better with quat sanitizers than cotton based textiles, they rinse clean and are odorless for a better front-of-house impression. Each pack of Tork Foodservice Towels are color-coded to help avoid the risk of cross-contamination.
