FOR
PROFESSIONALS

Lasagne is offered on 15.4% of all menus³, a highly popular and ubiquitous dish.

Keep it simple with faster, easier prep and less waste thanks to Lasagne Chef. You'll have time for upgrades at the edges to stay craveable and relevant with seasonal adaptations and specials.

³ Datassential SNAP, 2023

TOP TRENDING SAUCES ARE SIMPLE UPGRADES FROM THE CLASSICS⁴:

Alfredo → Cream

Meat Sauce → Bolognese

Red Sauce → Tomato Basil

⁴ Datassential, "Lasagna Trends" 2023

NO NEED TO BOIL - JUST LAYER AND BAKE

TOP TIPS FROM THE TEST KITCHEN

Leave 1" between the sheets and the sides of the pan to allow expansion during cooking

No need to boil the sheets! Lasagne Chef cooks in the oven

Let lasagne rest at least 30 minutes before cutting

Use at least 8 cups of liquid for a 2" deep half hotel pan batch
