Hotel Food Safety Made Simple

Improve your Sustainability, Streamline your Safety:

Digital Food Safety: A Sustainability Asset

At an example hospitality site with 9 fridges and freezers, each year you would save:

\$400
per year
in energy costs

0.3
Tonnes
of Carbon Emissions

Reduce energy consumption with optimal temperatures

Prevent deforestation with digital checklists & no paperwork

Minimise unnecessary food waste with compliance alerts

“The simple to use technology has exceeded our expectations, freeing up staff to spend more time making guests happy.”
