

Peet's Coffee and Caribou Coffee deliver premium specialty coffee programs that elevate everyday spaces into warm, inviting destinations. Rooted in craft, quality, and connection, Peet's offers rich, bold, hand-roasted coffee for those who appreciate authentic coffee culture, while Caribou brings approachable, handcrafted beverages designed to fuel connection and comfort. Together, they provide flexible, turnkey coffee solutions that integrate seamlessly into your environment and enhance the overall guest experience.

Advantages and Benefits

- Variety of light, medium, dark, and flavored roasts for all taste preferences
- Full beverage solutions including hot and cold specialty drinks
- Built-in sustainability through audited sourcing and Rainforest Alliance Certified™ coffee
- Strong national brand recognition that drives traffic and loyalty
- Flexible programs that adapt to your space and aesthetic
- Handcrafted, high-quality beverages that elevate perceived value and guest satisfaction
